Manage Your Email Campaigns, Your Way

Marketing is so fast paced that it's easy to get overwhelmed. Marketers need to work more productively to be more responsive to their customers' needs.

To keep up, you told us you needed marketing solutions that work the way you do – that manage all the moving parts of email campaigns, all at the same time, and that do it fast, efficiently and hassle-free. We heard you.

Now, more means less.

The new customer-focused interface in Lyris HQ gives you more – more tabs, more options and more workspaces. Just like working in a browser, simply switching tabs within the new interface allows flexible movement between tasks and activities. You have full control and easy access to every aspect of email marketing management, from one-click access to the dashboard to two-at-a-time message creation.

The result is less – less time wasted, less frustration from start to finish and less effort in getting things done. Now Lyris HQ works like you and thinks like you. That's because it was build for you. Say so long to blindfolded marketing. [Learn More Now >](#)
